FISH PRO™ 170

Feature Highlights

**Garmin† Echomap† Plus
62cv Fish Finder**

A top-of-the-line navigation, charting and fish-finding system using CHIRP technology for high definition images.

Fishing Seat

Optimized for ease of movement around the entire watercraft, and for better comfort and stability when facing sideways.

**LinQ™ Fishing Cooler &
(4X) Fishing Rod Holders**

A spacious, quick-attach fishing cooler designed for easy access and equipped with numerous convenient features.

**Extended Rear Platform with
2nd LinQ™ Attachment System**

Adds 11.5 inches to the back of the watercraft to increase stability, space, and storage capability.

Angled Gunwale Footrests

Keeps you firmly planted, comfortable, and secure while fishing from a side position.

Trolling Mode

Gives superior trolling control at low speeds without using the throttle - simply set, maintain and adjust as needed.

Trailer (optional)

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
- Custom frame design requires less water to load and unload watercraft.
- Sealed maintenance-free wheel bearings for added peace of mind.

- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without marine jack.
- Move I Extended 1250 and Move II are also available in an aluminum frame, that delivers better corrosion resistance to significantly extend life of trailer.

Aluminum MOVE II
