GTR™ 230

Feature Highlights

Rotax® 1630 ACE™ - 230 Engine¹

This powerful engine comes standard with a supercharger and external intercooler. It is optimized to run on regular fuel, which lowers fuel costs.

VTS™ (Variable Trim System)

Provides handlebar-activated quick settings so riders can easily find the ideal trim for varying conditions.

BRP Audio-Premium System
(Optional)

The industry's first manufacturer-installed, truly waterproof, Bluetooth® audio system.

Swim Platform with
Integrated LinQ™ System

Exclusive quick-attach system on a large swim platform that allows for easy installation of storage accessories.

Polytec™ GEN 2 Hull

Specifically designed to meet the needs of recreational riders, the Polytec GEN 2 material is highly robust and scratch resistant, and reduces overall vehicle weight to improve efficiency.

Large Front Storage

An impressive 40 gallons of sealed storage space allows riders to safely stow belongings while riding.

Trailer (optional)

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
- Custom frame design requires less water to load and unload watercraft.
- Sealed maintenance-free wheel bearings for added peace of mind.

- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without Marine Jack.
- Move I Extended 1250 and Move II are also available in an aluminum frame, that delivers better corrosion resistance to significantly extend life of trailer.

Aluminum MOVE II

Aluminum MOVE I Extended 1250
