Feature Highlights

Exclusive quick-attach system on the largest swim platform in the industry that allows for easy installation of accessories.¹

The industry-first manufacturer-installed, truly waterproof, Bluetooth[®] audio system.²

A quick-install retractable ski pylon that stows away when not in use. Features spotter handgrips and rope storage.

Provides easy wakeboard transport.³

Five preset acceleration profiles make it easy to deliver a smooth launch and maintain consistent pace.

An innovative hull that sets the benchmark for rough water handling, stability, and offshore performance.

Trailer (optional)

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
- Custom frame design requires less water to load and unload watercraft.
- Sealed maintenance-free wheel bearings for added peace of mind.
- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without Marine Jack.
- Move I Extended 1250 and Move II are also available in an aluminum frame, that delivers better corrosion resistance to significantly extend life of trailer.
